Our passion is fueled by the powerful impact peptides evoke in the science of skin rejuvenation. Viktoria DéAnn peptides produce superior results for professionals seeking natural, noninvasive and healthy skin renewal. Our unique formalization of BioActi $\checkmark$ ™ peptides restore optimal skin health and deliver an advanced home care treatment option.

## THE DIFFERENCE: BIOACTIV™ PEPTIDES

---

Viktoria DÉAnn is a vertically integrated company founded on advance peptide science with medical principles. We research, design, evaluate and formulate proprietary peptide messengers. This unique position ensures the required environment to create efficacious peptides to deliver unparalleled results. Peptide effectiveness is achieved only when proper sequencing, concentration, stabilization and molecule size are delivered to the targeted receptor site of the cell. Viktoria DÉAnn controls these key components from start to finish which allows our BioActiV™ peptides to achieve optimal clinical outcomes.

## WHY CHOOSE VIKTORIA DÉANN?

---

Cumulative, progressive and long-term results provide you and your clients an advanced treatment option capable of restoring maximal skin health. Viktoria DÉAnn peptides deliver healthy, sustainable results to bring success to our professionals and their business. Professionals feel confident offering an innovative and natural treatment option with true solutions for their clients' skin care needs. BioActiV™ Peptides easily integrate into treatments allowing medical and licensed professionals to create customized solutions tailored to each client.

# PRODUCT LINE

Viktoria D'Ann's product line is divided into three main steps  
During these steps, additional products and treatment options are available.

**STEP**  
**1**

## CLEANSE

Purifying Cleanser  
Balancing Cleanser

**STEP**  
**3**

## PROTECT & MOISTURIZE

Day Moisturizer  
Night Moisturizer  
Collagen Gel

# CLEANSE

## PURIFYING CLEANSER

This gentle, foaming cleanser is formulated to lift makeup and environmental impurities without removing the skin's natural oils, leaving skin clean and hydrated. Deep-pore cleansing allows subsequent serums to penetrate more efficiently, revealing vibrant, healthy skin.

- Sulfate-free and pH balanced for all skin types
- Helps neutralize destructive free radicals
- Dermatologist Tested

### KEY INGREDIENTS

- L-Ascorbic Acid (Vitamin C)
- Coconut & olive esters
- Sodium Lauryl Glucose Carboxylate

## BALANCING CLEANSER

A non-foaming, hydrating cleanser safe for sensitive and compromised skin. Natural and gentle ingredients combined with antioxidants are formulated to remove makeup and impurities without stripping skin's natural barrier.

- Sulfate-free and pH balanced for all skin types
- Suggested for sensitive and compromised skin
- Dermatologist Tested

### KEY INGREDIENTS

- Aloe Barbadosensis Leaf Juice
- Coconut & olive esters
- Sodium Lauryl Glucose Carboxylate

## PEPTI-

**PEPTI-lift is an age-defying serum for clients seeking to restore the look of tight, youthful skin. Apply to the face, arms and décolleté for visible improvements in skin tension to reveal tighter, firmer skin.**

- Diminishes the appearance of fine lines and wrinkles
- Results are progressively more noticeable with continued use
- Formulated to lift and tighten the skin around the face and neck
  
- Static wrinkles
- Skin tension
- Fine lines and wrinkles
- Loss of elasticity

Proprietary Lift Pro Peptide: Glutamic Acid, Lysine, Valine, Proline, Arginine, Aspartic Acid, Asparagine, Glycine, Histidine, Serine

## PEPTI-

**PEPTI-tone is a revolutionary formulation using Tone Pro Peptide. Tone can help soften the appearance of fine lines and deeper wrinkles, allowing skin to regain its youthful appearance.**

- Researched from neurotransmitter peptides that modulate micro-muscle contraction to suppress the appearance of expression lines
- Works synergistically with PEPTI-lift for optimum results
  
- Dynamic wrinkles
- Expression lines
- Fine lines and wrinkles
- Loss of elasticity

Proprietary Tone Pro Peptide: Arginine, Asparagine, Aspartic Acid, Glutamic Acid, Glutamine, Glycine, Histidine, Lysine, Proline, Serine

## PEPTI-

**Formulated to strengthen compromised skin, PEPTI-repair is the perfect serum to use with non-ablative procedures such as chemical peels, micro-needling and other modalities including light therapies, radio frequency, or ultrasound.**

- Formulated from the research of peptides and cytokines found to signal accelerated repair and restructuring
- Promotes and assists the skin's natural processes for optimal skin integrity
  
- Post-procedure skin
- Sun damage
- Scarring
- Compromised skin

Proprietary Repair Pro Peptide: Arginine, Asparagine, Aspartic Acid, Glutamic Acid, Glycine, Histidine, Lysine, Proline, Serine, Valine

## PEPTI-

**PEPTI-correct Hp effectively addresses concerns related to dark spots.**

**The collective blend of Oligopeptide Hp, antioxidants and chelating agents provide a powerful trident approach for correcting over pigmented skin areas. Enjoy visible fading of dark spots in just a few weeks.**

- Diminishes the appearance of skin discolorations
- Optimal results occur after six weeks of continuous use

- Dark spots
- Uneven skin tone
- Photo-aged skin
- Post acne marks

Proprietary Oligopeptide-Hp Peptide: Oligopeptide-Hp Arginine, Alanine, Aspartic Acid, Cysteine, Glycine, Lysine, Proline, Azelaic Acid, Succinic Acid

## PEPTI-

**Collagen fibers give skin its structural support. With age, the skin gradually loses collagen each year, leaving remaining collagen open to damage by free radicals and environmental factors. PEPTI-pro-col helps strengthen and rejuvenate skin, making it excellent for use on the face, neck and hands.**

- To help restore a youthful, lifted and radiant complexion
- Pro Collagen peptides

- Skin laxity
- Sun damage
- Fine lines and wrinkles

Proprietary Pro Col Pro Peptide Complex Synergized with Salicylic Acid: Carnitine, Arginine, Asparagine, Aspartic Acid, Glutamic Acid, Glycine, Histidine, Lysine, Proline, Serine, Valine, Salicylic Acid

## PEPTI-

**Hyaluronic acid is part of the “glue” in the dermal matrix that holds skin cells together and hydrates them. Formulated with an amazing amino acid complex, PEPTI-hyaluronic plumps and hydrates the skin, improving the appearance of fine lines and wrinkles for softer, smoother, more youthful looking skin.**

- Helps restore hydration and suppleness
- Pro Hyaluronic acid peptides

- Dehydrated skin
- Mature skin

Proprietary Hyaluronic Pro Peptide: Asparagine, Aspartic Acid, Glutamic Acid, Glutamine, Glycine, Lysine, Serine, Valine

## PEPTI-

Collagen and elastin work together providing a sturdy mesh to support the skin. Elastin fibers give skin shape after stretching or contracting. PEPTI-elastin combats the lack of pliancy and resiliency that occurs with age. This unique peptide works with the natural functions of the skin to support skin structure.

- Helps improve elasticity and recoil in the face, neck, décolleté backs of hands, and arms
- Visibly diminishes sagging and loose skin
- Pro Elastin peptides
- Loss of elasticity, drawn appearance
- Sagging skin

Proprietary Elastin Pro Peptide: (Arginine, Glycine, Histidine, Lysine, Tyrosine), Niacinamide (B3), Retinyl Palmitate, Pantothenic Acid (B5)

## PEPTI-

Mature skin loses its ability to retain and rebuild adipose tissue due to excessive free radical damage, slower cellular turnover rates, and the reduction of moisture retention. PEPTI-pad is formulated with Pad Pro Peptide, vitamins, and nutrients to help skin appear plumper, thicker, stronger, and more youthful.

- Skin and lips can appear to be plumper and more youthful
- Loss of plumpness and diminishing subdermal pads
- Thinning skin on hands, around the mouth, under cheekbones and under eyes
- Hollow, loss of structure
- Sagging

Proprietary Pad Pro Peptide: (Arginine, Lysine, Histidine, Aspartic Acid, Glycine, Tyrosine), Niacinamide (B3), Retinyl Palmitate, Pantothenic Acid (B5)

## PEPTI-

PEPTI-a.c.n.e uses a blend of amino acid complexes to create and maintain a healthier skin barrier, allowing the skin's natural defense mechanisms to combat blemish-prone conditions.

- Advanced quorum signal suppression
- Anti-microbial Peptide (AMP) like activity
- Skin prone to breakout

### A Pro Peptide

A, C & E Pro Peptides help to promote and support a healthy micro-flora in the skin barrier where bacterial microorganisms originate.

### C Pro Peptide

### N Pro Peptide

N Pro Peptides trick bacteria into thinking that proliferation (multiplication) is unnecessary.

### E Pro Peptide

## PEPTI-

This revolutionary, award-winning eye serum is formulated with proprietary UET-3 peptides to brighten and firm the delicate eye area. It replenishes hydration and dramatically diminishes the appearance of wrinkles, dark circles, and puffiness.

- Results may be visible after first few applications
- Cumulative results with continuous use
- Dark circles
- Crows feet
- Puffiness
- Fine lines and wrinkles

Proprietary UET-3 Peptide: (Arginine, Histidine, Asparagine, Proline, Serine, Glycine, Aspartic Acid,) Pantothenic Acid (B5), Pyridoxine (B6), Camellia Sinensis (White Tea) Extract, Soluble Collagen

## MILD • MEDIUM • ULTRA

Rejuvenator's advanced RNF-1 peptide supports proper cell turnover to return a corrected level, promoting the appearance of thicker, healthier, more youthful skin. Antioxidants and vitamins nourish and smooth the skin to reveal healthy, vibrant appearance.

- Targets growth areas of the skin
- Visibly improves tone and texture
- Supports a corrective cell turnover (exfoliation)
- Thick stratum corneum
- Low cell turnover
- Keratinocyte build-up
- Dull, uneven texture

RNF-1 peptide: Oligopeptide-RNF-1 (Arginine, Glycine, Histidine, Leucine, Lysine, Threonine, Tryptophan, Tyrosine, Valine), Tocopheryl Acetate (E), Allantoin, Niacinamide (B3), Pantothenic Acid (B5), Pyridoxine (B6)

## PEPTI-

A lash enhancing serum that works with the natural support of building longer, thicker and stronger lashes and brows. With continued use, visible results in four to six weeks, with ultimate results in three months.

- Provides vitamins, amino acids, and conditioning nutrients to lashes and brows
- Helps restore thinning, short or damaged lashes
- Sparse, thin lashes and brows

Proprietary Oligopeptide LSH-XL Peptide: Oligopeptide LSH-XL (Arginine, Asparagine, Carnitine, Taurine, Glycine, Glutamic Acid, Lysine, Proline, Leucine, Histidine, Tryptophan, Serine, Proline)

## PEPTI-

PEPTI-nano is a bio-cellulose mask that uses the latest scientific advances in nanotechnology. The bio-cellulose structure with hyaluronic acid adheres perfectly to the skin to deliver intense hydration. The gradient pressure delivery system with nanoneedle-like fibrils optimizes penetration of peptides and nutrients while soothing skin post treatment.

- Facilitates maximum peptide penetration
- Supplies intense hydration to the skin
- Dermatologist tested for sensitive skin
- Natural Material
- BIO-Degradable & BIO-Compatible
- Allergen Free
  
- Bio-cellulose
- Organic Aloe Leaf Extract
- Sodium Hyaluronate

## MILD • MEDIUM • ULTRA

LIFT KITS contain four clinical strength peptides:

The key peptides of the lift kit provide targeted assistance to aging and poorly functioning skin. Bioactive peptides deliver key ingredients that support and improve natural cellular functions. Over time, the skin becomes visibly stronger, healthier and more youthful. Used as a daily home regimen, clients experience more hydrated, lifted and toned skin.

- Improved visual skin tone, texture and overall skin health
- Pure, stable BioActi<sup>™</sup> peptides assist with cellular turnover and messaging
- Beneficial nutrients provided by USP grade ingredients, vitamins and co-enzymes
  
- Static and dynamic wrinkles
- Dark circles, puffiness, crows feet
- Sagging and aging skin
- Loss of elasticity
- Skin tension

# PROTECT

## DAY MOISTURIZER

A smooth, nutrient dense face and body lotion that provides immediate lasting hydration, helps reestablish the skin's lipid barrier, and promotes elasticity. The antioxidants found in aloe and vitamins A & E protect the skin from free radicals and environmental damage resulting in healthy, hydrated skin with a luminous appearance.

- Hydrates and protects
- Helps neutralizes destructive free radicals

### KEY INGREDIENTS

- Aloe Barbadensis Leaf Extract
- Tocopheryl Linoleate
- Retinyl Acetate
- Tocopheryl Acetate (Vitamin E)

## NIGHT MOISTURIZER

This age-defying, nighttime moisturizer softens and hydrates skin so that fine lines appear softer and skin is smoother, more supple, and radiant. Superior phyto-moisture builders Allantoin and Corylus Avellana Extract help reinforce, re-hydrate and renew skin elasticity while reducing the appearance of fine lines.

- Reinforces and renews elasticity
- Makes skin appear supple and vibrant
- Fragrance free

### KEY INGREDIENTS

- Lactic Acid & Glycerin
- Allantoin
- Quercus Robur
- Corylus Avellana

## COLLAGEN GEL

A light weight moisturizer that provides superior hydration while reducing the appearance of large pores, fine lines and wrinkles. Collagen is formulated to help improve the support and suppleness of the skin and the ultimate moisturizer for mature skin.

- Reduces appearance of large pores, fine lines and wrinkles
- Improves support and suppleness of the skin
- Lifts and tightens the skin around the face and neck

### KEY INGREDIENTS

- Aloe Barbadensis Leaf Extract
- Soluble Collagen
- Glyceryl Cocoate

# ADDITIONAL PRODUCTS

## LACTIC 5% + COLLAGEN

This self-neutralizing AHA (Alpha Hydroxy Acid) exfoliant supports skin's resilience and elasticity while providing gentle exfoliation mild enough for home use.

- Helps improve slow cell turnover
- Hydrates and brightens
- Improves the appearance of skin tone, texture, elasticity, and pore size

---

### SKIN CONCERNS

- Thick stratum corneum
- Uneven skin tone
- Photo-aged skin
- Uneven skin texture
